

SIMPLE AND ORGANIC, THOUGHTFUL, HONEST AND HANDMADE DESIGN.

We design and make paper goods for weddings, events and everyday in genuine designs using a subtle palette and a focus on texture and details.

MADE TO MEASURE is an edited collection of our favourite designs, made to measure using your choice of printing, paper and finishing details.

ONE

Choose your design foundation from our collection and make your selections of printing, paper, and finishing details through our order form.

We will then confirm all the details for your order.

*A 50% non-refundable deposit is due, before we can begin.*

TWO

Once your deposit has been received we will send our detail fill-ins to help with wording, guest and address lists.

Within three business days of receiving your order details you will receive your pdf design proof. *Up to three rounds of changes are included.*

Sign-off on your final proof is required before your order can go to production. Balance for your order and shipping is due upon delivery.

THREE

Once approved for production, it will be 4-6 weeks for delivery.

We will assemble your finished sets into envelopes, unsealed  
*– and all you'll need to do is seal, add postage and send.*

Depending on our schedule, rush orders may be possible.

Shipping prices are not included. Australian orders have the option for either express or registered post, International orders are sent by registered international post.

PAPER

All invitation sets are available in *pure white or natural white*.

Our pure and natural white papers are 100% cotton with a subtle eggshell texture. Recycled kraft paper is available for insert and mini insert cards. Envelopes are available in *kraft brown paper, or matching pure white or natural white*.

PRINTING

Invitation sets are available in either flat or letterpress printed.

Due to the individual nature of letterpress we are unable to offer some pieces, including envelopes and place cards in letterpress.

RUBBER STAMPS, WAX SEALS AND CUSTOM MOTIFS

Made to Measure paper goods are designed to be layered with our custom designed rubber stamps, wax seals and threads / twine / string. If your order includes a rubber stamp you will get your wooden mounted stamp packaged in a muslin bag to keep.

STRING, THREAD, TWINE

natural linen thread *thin weight*

natural jute twine *medium weight*

burlap twine *medium weight*

natural white jute twine *medium weight*

EXTRA DETAILS

extra thick paper *available on letterpress pieces by request*

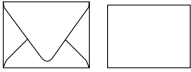

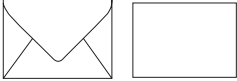

parcel tied envelope *in cotton string*

MADE TO MEASURE CUSTOM PIECES

We love to design custom pieces! If there is something you'd like designed into your set - a hand drawn map, ceremony fans, seating chart, table numbers or anything just a little bit different, just let us know what you are thinking, and we'd be happy to quote.

CUSTOM DESIGN

Since we are a small and personal studio we are only able to accept a few custom design projects each year - let us know as soon as possible that you'd like to work with us on a custom project. We'll then check availability and book in the time for your project.
